## Profile of the College

### Introduction

Nestled among the lush greenery and vast paddy fields, Panigaon OPD College is dedicated to impart knowledge and skills among the young and bright minds of the vast area under Telahi and Kamalabaria Mouza. The institute was established in the year 1984 with the aim to cater to the needs of higher education of the socio-economically backward and inquisitive students of this area. The ruminations and discussions for establishing a college in the area had begun in the early 1980s. The first consensus upon this matter was taken in a meeting held on 10th October, 1982 in the premise of Solal Gaon L. P. School. After two years, the earnest and resolute efforts of far-sighted and conscious masses resulted in establishment of this college. The first classes were held at Panigaon Higher Secondary School with 65 students from 14 September, 1984

A renowned businessman and social worker Mr. Om Prakash Dinodia generously contributed 1 lakh rupees at the beginning and constructed the permanent building at the expense of 4 lakhs rupees. Complying with the wishes of this munificent patron, the college was named after him. Since its inception, the college is thriving to provide its students quality education and skills with a bunch of resourceful and trained faculty in a suitable atmosphere.

The college is affiliated to Dibrugarh University. Currently, we offer courses in Higher Secondary Course in Arts under Assam Higher Secondary Education Council and B.A. (both Pass and Honours) in Assamese, Economics, Education, English, History, Philosophy, Political Science and Sociology. Moreover, A study centre of KKHSOU is situated in the college to help the desirous people to pursue higher education through open and distance learning. With the objective of economic welfare of the area, the college is thinking to re-introduced a one year certificate course in Handloom and Textiles under its Centre of Handloom and Textile Training from this year which was initially started in 2015.

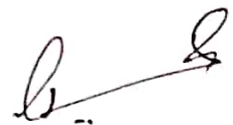

### *Present status*

The college has undergone a sea change with the passage of time. It has introduced Four Years Under Graduate Programme this year. To provide better facilities to the student community the infrastructure of the college has been augmented to a great extent. The college has developed various facilities like multi-purpose gymnasium, yoga center, indoor stadium, smart class-room, ICT enabled classrooms, conference hall, museum, a sick room, common rooms for girls, boys and faculty members respectively and a spacious canteen. The college also has a well-equipped computer center with internet facility. The strength of the library is enhanced with procurement of additional books, computers and N-list subscription.

### **Observations:**

#### Curricular Aspects

Panigaon OPD College is affiliated to Dibrugarh University. The College follows the curriculum developed by Dibrugarh University. For effective delivery of curriculum most of the departments are maintaining lesson plan and course progress record in the teacher's diary and Academic Activity Register. The college follow academic calendar of Dibrugarh University with necessary modifications as per needs. Moreover, add on/ Certificate programmes are offered and conducted by several departments.

#### Teaching Learning Aspects

Assessment of learning levels after admission to identify slow and advanced learners should be more robust. Though the College follows students centric learning method for effective curriculum delivery however, a detail unit wise plan for experiential and

participative learning needs to be maintained for enhancing the learning experiences of the students. The College maintains mentoring system. But documentation of the mentoring system is not adequate. All the departments conduct internal examination as per requirement of the affiliating University. The College may incorporate more different modes for continuous internal evaluation. Program Outcome, Program Specific Outcomes and Course Outcomes are described in the syllabus. Evaluation the attainment of the learning outcomes to be evaluated properly. The college should offer more need-based add on/ certificate courses. Remedial classes should be provided to students on regular basis.

#### Research, Innovation and Extension

The overall research culture in the College needs to be strengthened. Several departments, units and cells are conducting very effective extension activities. Involvement of the students in those activities should be encouraged. The faculty members should be encouraged to apply for research projects through various government and non-government organization.

#### Infrastructure

The College has adequate infrastructure facilities for all academic activities. The infrastructure is well maintained. The library and IT facilities are also adequate. The college auditorium and boys' hostel are under construction and should be completed soon. More computers may be provided for students' use, more toilets for students may be constructed.

#### Students support and Progression

Placement of the students and progression to higher education are encouraging. Students need more encouragement for participation in extra- curricular activities. The institution should organize more sports and cultural programmes and ensure effective participation of students. More programmes on career counselling and guidance to prepare students for various competitive examinations may be organized by the institution.

#### Governance and Leadership

A major number of teaching staff have participated Faculty Development Programmes, Faculty Induction Programme/Orientation programmes. The non-Teaching staff should participate in more professional development activities. Faculty members should be encouraged to participate in more refresher, FDPs, FIPs and should be provided assistance by the institution.

## Recommendations

Based on the finding the members of the audit committee recommends the following for enhancing the quality of the College:

- College needs to establish a language lab.
- Research culture needs improvement.
- Proper documentation is required for all activities.
- For effective delivery of Academic Activities Register to be maintained for every course.
- Academic calendar to be prepared at department level following the affiliating University's calendar.
- Students should be involved in the extension activities. More collaborations need to be established for faculty exchange, students exchange etc.
- Teachers should be encouraged to participate in FDPs/ FIPs/ Orientations and should be provided with assistance.
- The institution should organize more sports and cultural programmes and ensure effective participation of students. More programmes on career counselling and guidance to prepare students for various competitive examinations may be organized by the institution.
- The college should offer more need-based add on/ certificate courses. Remedial classes should be provided to students on regular basis.
